

6-Month FEMastermind

WHAT YOU GET:

Mastermind Meetings (1 Monthly)

We'll meet once a month for 2-hours. The first half of the meeting is reserved for co-created business education. Every month will feature a guest expert who will present a topic the group chose together. The second half is for sharing wins, brainstorming ideas, asking for advice & sharing your experiences with other like-minded female entrepreneurs in the group. *Every meeting includes a full catered meal, wine, and beverages!*

Virtual Mastermind Sessions (1 Monthly)

Every month there will be a 1-hour virtual mastermind session. This virtual meeting is super helpful because it keeps you accountable, allows time for more connection with other members, creates a space for you to discuss any thoughts or ideas you might have, AND gives you time to explore your hopes and dreams for your business!

FEM Socials

Over the 6-months there will be three scheduled FEM Socials. There's no agenda for these meet-ups other than having a good time! There will be food and beverages available for purchase during each FEM Social.

Private Facebook Group for FEMbers

The private Facebook group is how we keep in touch between meet-ups. Members can share wins, ask for advice or get the group's feedback. The group is private for the members of their session only.
